

Covenant With Mercy (Remembering You Broken)

Chris Nesbitt

D

Bm G D (x2)

Bm G D A
The sound of laughter is only mocking

Bm G D
And eyes disdain your form

Bm G D A
My sin, like poison, Your willing drink

*Bm G D A2
Remembering You broken in body, in sorrow
Remembering Your blood overflowing
I fall down unworthy of offerings so hallowed
But only for mercy, Your mercy*

**Bm G
I worship, I worship**

**D A
I worship You, Jesus**

**Bm G D A
In covenant with mercy, I worship**

Bm G D A
So brush with hyssop on my heart's doorway

Bm G D
The blood that ransoms souls

Bm G D A
My cup of grace for Your cup of shame
