

In This Moment

E B A2

In this moment

E B A2

While all the earthly things around me fade away

E B A2

In this moment

E B A2

This is my only song, these are the words I want to say

E B A A/F#

I love you more than

E B A

Life Lord hear my prayer,

E B A A/F# E B A2

My cry for You in this moment

E B A2

In this temple

E B A2

There are so many things that simply don't belong

E B A2

In this temple

E B A2

Your sweet forgiveness overflows As I sing this love song

E B2 A2 B2

I sing to You a love song

I bring to You a love song

I sing to You this song of love
