

Saturate Me
Chris Nesbitt

A2 F#m E B2
There You stand, Patiently
A2 F#m E
Asking me to open up the door to You
A2 F#m E B2
Spirit come, Live in me
 A2 F#m E/G# E/A
There's nothing I want more than to be filled by You

(Chorus chords: E – B – C#m – A2)
Heaven, pour out your fire
Spirit, saturate me
I am yielding this life
To Your life within

Heaven, send down the rain
Let it saturate me
Jesus, breathe in my life
And breathe life again

A2 F#m E B2
Here am I, Weak and lame
A2 F#m E
Let me taste the Bread that can empower me
A2 F#m E B2
Spirit come, With a flame
A2 F#m E/G# E/A
Lord, forever let Your glory shower me

(Chorus)
