

Speak The Name
Chris Nesbitt

(Vs chords: A2 E F#m D2)
In Your name the slave is free
Darkness fails and demons flee
In Your name the curse of sin is broken
Sorrow yields to joyful praises as Your name is spoken

A2 E F#m E
This is the name we praise
A2 E F#m D2
This is the power that frees us
A2 E F#m E
No other name can save
A2 E F#m D2
We speak the name of Jesus

(Vs chords: A2 E F#m D2)
There is hope and perfect peace
Speak Your name and tempests cease
The lame are healed and wounded hearts are mended
The grave's defeated and the sting of death's forever ended

(Chorus)

Bridge:
A2

Jesus, the Lamb and the Lion, Jesus
Jesus, creation's cryin', Jesus

(Chorus)
